The effect of Iron Swords war events

- *Since October 7, 2023 and throughout the war, the Bank has prepared to continue its operations and to provide service to its customers, including in war-affected zones, as much as possible.*
- *The Bank takes part in the national endeavor and has announced the allocation of funds for charitable donations and assistance to civilians affected by the war, and has launched programs to provide relief to Bank customers, with emphasis on customers resident in war-affected regions.*
 - *Total charitable donations allocated by the Bank for adoption of the town of Sderot and kibutz Kfar Aza and other activities to benefit residents of the Gaza border and Northern border areas amounts to NIS 70 million. Most of these expenses were recorded in the 2023 Financial Statements.*
 - *In May 2024, the Israeli banks decided to make a donation to the Jewish Agency of NIS 98 million, in order to provide critical assistance to the strength and resiliency of soldiers serving in the reserves, who they or their spouses are owners of independent businesses, which were negatively affected due to the reserve duty of their owners. The Bank Group's share in the donation is NIS 18 million.*
 - *The estimated value of relief and banking benefits extended to all Bank Group customers, beyond the charitable donation amount, is NIS 624 million (including banking relief and benefits provided to residents of Sderot and Kfar Aza, as noted above), assuming full utilization of all benefits offered to the relevant population.*

Operating and other expenses (NIS mil)

Salaries (NIS mil)

Total operating and other expenses decreased by 6.2% compared to 2023. The decrease in operating and other expenses derives, inter alia, from the continuous synergy following the merger with Union bank, expenses recorded in the corresponding period last year due to the impact of the wage agreement signed with the employees' union as well as from one-off assets depreciation recorded in 2023.
