Re: **Engagement In A Policy To Insure The Liability of Directors and Other Officers**

1. **The main points of the transaction**

1.1 Engagement in a policy (the "Insurance Policy") for insuring the liability of the directors and other officers, including the Chief Internal Auditor (the "Officers"), who serve periodically or who have served at Mizrahi Tefahot Bank Ltd. (the "Bank"), and in companies in the Bank's group, which includes the Bank's subsidiaries, including Yahav Bank for Government Employees Ltd. (the "Bank's Group"); the Insurance Policy will also insure officers who are controlling shareholders at the Bank, who serve periodically or who have served at the Bank and the Bank's CEO, all as provided below:

- (a) The insurer according to the Insurance Policy is Clal Insurance Company Ltd. (the "Insurer").
- (b) The insurance period is 18 months, beginning on October 1, 2015, and ending on March 31, 2017 (the "Insurance Period").
- (c) The premium which will be paid for the Insurance Policy will be approx. 609,000 American Dollars (hereinafter: "USD").
- (d) The limits of the Insurer's liability according to the Insurance Policy are USD 140 million per event and USD 140 million, in the aggregate, for the entire Insurance Period. In addition, the Policy includes insurance coverage for reasonable legal expenses at up to 20% of the insurance amount.

(hereinafter: the "Insurance Decision"; the engagement with Clal Insurance Company Ltd., as aforesaid, will be referred to hereinafter as the "Engagement").

1.2 (a) Ms. Liora Ofer, who is among the controlling shareholders at the Bank, serves as a director at the Bank. In addition, Mr. Yuli Ofer, OBM, Ms. Liora Ofer's father, served as a director at the Bank until December 24, 2008; and Mr. Idan Ofer, who is the brother of Mr.

Eyal Ofer, one of the Bank's controlling shareholders, has also served in the past as a director at the Bank. In addition, Mr. Moshe Wertheim, who is among the controlling shareholders at the Bank, served as a director at the Bank until September 15, 2014.

Therefore, the Insurance Policy, which will apply to the officers who are periodically serving or who have served at the Bank, subject to the conditions stipulated therein, will also apply to the above-mentioned Ms. Liora Ofer, Mr. Idan Ofer, Mr. Yuli Ofer, OBM, and Mr. Moshe Wertheim, due to their service as directors, as aforesaid.

(b) In addition, the Insurance Policy will also apply to the Bank's CEO.

1.3 The Bank will approach the Bank's subsidiaries and propose to them, subject to the approval of the Insurance Decision by the general meeting, to participate in the Insurance Policy and to bear their share in the premium. If any of the subsidiaries does not engage in the Insurance Policy, the Bank's share in the premium amount will increase, up to the full premium amount.

2. The reasoning of the Remuneration Committee and the Board of Directors

2.1 The reasoning given by the Remuneration Committee and the Board of Directors for the approval of the transaction provided as follows:

- (a) The insurance amount of USD 140 million was determined in view of the risk involved in the activity of the Officers at the Bank, while taking into account the Bank's areas and scope of activity and those of its subsidiaries, as well as the Bank's status as a public company.
- (b) The insurance amount of USD 140 million is deemed reasonable considering the current market data regarding this type of insurance.
- (c) The premium to be paid for the acquisition of the insurance amount of USD 140 million is approx. USD 19,000 higher than the premium paid for the current insurance policy (which ends on September 30, 2015, and under which the insurance amount is USD 130 million) and is reasonable, considering market data for the insurance of the liability of officers in the banking system.

- (d) It was resolved to engage in the Insurance Policy, for a period of 18 months, as was done with regard to previous policies (starting in April 2011), instead of a period of 12 months, as was customary at the Bank in the past (until March 31, 2011). Indeed, this way, the insurance amount cap of USD 140 million will be valid for a period of 18 months instead of just 12 months, and no additional insurance cap will be created after the first 12 months. However, considering the possibility of a future increase in the premium costs, it is advisable to set the insurance premium for a period which will be longer than one year.
- (e) The Bank's engagement in the Officers' liability Insurance Policy, as aforesaid, is for the benefit of the Bank, since it contributes to the directors and Officers fulfilling their duties appropriately, while taking into account the risks involved therein.
- (f) As part of the resolution to approve the engagement, the Bank's Remuneration Committee and Board of Directors have confirmed that the Insurance Decision meets the conditions listed in Regulations 1A1 and 1B(5) of the Companies Regulations (Relief of Transactions with Interested Parties), 5760-2000.

2.2 (a) The following directors participated in the Remuneration Committee meeting wherein the Insurance Decision was approved: Mr. Avi Zigelman (external director), Mr. Gideon Siterman (external director), Ms. Sabina Biran, Mr. Abraham Jacob Neyman (external director), Mr. Joseph Shachak, and Ms. Osnat Ronen (external director).

(b) The following directors participated in the Board of Directors meeting wherein the suggested resolution was approved: Mr. Moshe Vidman, Mr. Zvi Ephrat, Mr. Ron Gazit, Ms. Liora Ofer, Mr. Avi Zigelman (external director), Mr. Mordechai Meir, Mr. Gideon Siterman (external director), Mr. Joseph Shachak, Mr. Jonathan Kaplan, Ms. Sabina Biran, Mr. Joav-Asher Nachshon, Mr. Abraham Jacob Neyman (external director), Ms. Osnat Ronen (external director) and Mr. Avi Zeldman.

Mr. Gideon Siterman (who serves as an external director at the Bank, per this term's definition in the Companies Law, 5759-1999) expressed his opposition to the Insurance Decision; according to his position the change in the risk potential

involved in the activity of the Officers and the scope of the change required in the insurance amount as a result thereof should have been analyzed prior to the negotiations with the insurers, rather than increasing the insurance amount from USD 130 million (according to the policy ending on September 30, 2015) to USD 140 million, according to the suggested policy.

3. The approval of the general meeting

Since the engagement in the Insurance Policy for the liability of Officers who are directors, as aforesaid, constitutes an engagement pertaining to "terms of service and employment", per the definition of this term in Section 270(3) of the Companies Law, 5759-1999 (the "Companies Law"), this resolution is brought for the approval of the general meeting of the Bank's shareholders pursuant to Section 273 of the Companies Law.

The majority required for the approval of the resolution at the said general meeting and an adjourned general meeting, if any, is an ordinary majority of the total votes of the shareholders present at the meeting, who are entitled to vote and voting thereat, without taking into account the abstaining votes.

The Bank will release a separate immediate report on the convening of the general meeting, as aforesaid.
