### **Information from the issuer**

In its ratings, Midroog relies, inter alia, on information received from authorized parties at the issuer.

### Baseline Credit Assessment (BCA) Scale

aaa.il	Issuers and issues assessed at aaa.il are those that, in Midroog's judgment, have the highest internal or independent financial strength, relative to other local issuers, absent any possibility of external support from an affiliate or the government.
aa.il	Issuers and issues assessed at aa.il are those that, in Midroog's judgment, have very high internal or independent financial strength, relative to other local issuers, absent any possibility of external support from an affiliate or the government.
a.il	Issuers and issues assessed at a.il are those that, in Midroog's judgment, have relatively high internal or independent financial strength, relative to other local issuers, absent any possibility of external support from an affiliate or the government.
baa.il	Issuers and issues assessed at baa.il are those that, in Midroog's judgment, have moderate internal or independent financial strength, relative to other local issuers, absent any possibility of external support from an affiliate or the government, and may have certain speculative characteristics.
ba.il	Issuers and issues assessed at ba.il are those that, in Midroog's judgment, have relatively weak internal or independent financial strength, relative to other local issuers, absent any possibility of external support from an affiliate or the government, and have speculative characteristics.
b.il	Issuers and issues assessed at b.il are those that, in Midroog's judgment, have very weak internal or independent financial strength, relative to other local issuers, absent any possibility of external support from an affiliate or the government, and have significant speculative characteristics.
caa.il	Issuers and issues assessed at caa.il are those that, in Midroog's judgment, have excessively weak internal or independent financial strength, relative to other local issuers, absent any possibility of external support from an affiliate or the government, and have very significant speculative characteristics.
ca.il	Issuers and issues assessed at ca.il are those that, in Midroog's judgment, have extremely weak internal or independent financial strength, relative to other local issuers, absent any possibility of external support from an affiliate or the government, and are very near default, with some prospect of recovery of principal and interest.
c.il	Issuers and issues assessed at c.il are those that, in Midroog's judgment, have the weakest internal or independent financial strength, relative to other local issuers, absent any possibility of external support from an affiliate or the government, and are usually in default, with little prospects of recovery of principal and interest.

Note: Midroog appends numeric modifiers 1, 2, and 3 to each rating category from aa.il to caa.il. The modifier '1' indicates that the debenture ranks in the higher end of its rating category, which is denoted by letters. The modifier '2' indicates that it ranks in the middle of its rating category and the modifier '3' indicates that the debenture ranks in the lower end of that category, denoted by letters.

Midroog does not publish the BCA forecast, unlike the publications that have been made so far, in order to separate the BCA from credit ratings.

### Local Long-Term Rating Scale

Aaa.il	Issuers or issues rated Aaa.il are those that, in Midroog's judgment, have the highest creditworthiness relative to other local issuers.
Aa.il	Issuers or issues rated Aa.il are those that, in Midroog's judgment, have very high creditworthiness relative to other local issuers.
A.il	Issuers or issues rated A.il are those that, in Midroog's judgment, have relatively high creditworthiness relative to other local issuers.
Baa.il	Issuers or issues rated Baa.il are those that, in Midroog's judgment, have relatively moderate credit risk relative to other local issuers, and could involve certain speculative characteristics.
Ba.il	Issuers or issues rated Ba.il are those that, in Midroog's judgment, have relatively weak creditworthiness relative to other local issuers, and involve speculative characteristics.
B.il	Issuers or issues rated B.il are those that, in Midroog's judgment, have relatively very weak creditworthiness relative to other local issuers, and involve significant speculative characteristics.
Caa.il	Issuers or issues rated Caa.il are those that, in Midroog's judgment, have excessively weak creditworthiness relative to other local issuers, and involve very significant speculative characteristics.
Ca.il	Issuers or issues rated Ca.il are those that, in Midroog's judgment, have extremely weak creditworthiness and very near default, with some prospect of recovery of principal and interest.
C.il	Issuers or issues rated C are those that, in Midroog's judgment, have the weakest creditworthiness and are usually in a situation of default, with little prospect of recovery of principal and interest.

Note: Midroog appends numeric modifiers 1, 2, and 3 to each rating category from aa.il to caa.il. The modifier '1' indicates that the debenture ranks in the higher end of its rating category, which is denoted by letters. The modifier '2' indicates that it ranks in the middle of its rating category and the modifier '3' indicates that the debenture ranks in the lower end of that category, denoted by letters.
